Description

Offered here is a 1949 McCormick Farmall Cub by International Harvester, serial number 13468. Powered by its original 4-cylinder engine and equipped with a mid-mount mower deck, this little red workhorse is a true piece of rural Americana. The

tractor shows classic Farmall styling with narrow front wheels, rear wheel weights, and original Stewart-Warner gauges still in place.

A solid candidate for restoration or light-duty use around the farm, the Cub turns heads with its charm and rugged simplicity. Sold in as-found condition with surface rust and aged paint. Great opportunity to own a collectible IH tractor with strong parts support and a loyal following.
