LOT 11 - Singer Spartan 192K Vintage Electric Sewing Machine (c. 1960)

Antique Yes

Lot Location back bedroom

Description

This classic black Singer Spartan sewing machine (Model 192K) is a simplified, durable straight-stitch machine, made in the Kilbowie factory in Clydebank, Scotland. It's a lighter-weight and more affordable variant of the iconic Singer 99, known for its reliability and compact size.

Details:

- Model: Spartan 192K
- Serial Number: ES980727
- Manufactured by: The Singer Manufacturing Co.
- Motor & pedal included
- Features: Straight stitch, external belt drive, built-in light, and original base

- Accessories included: Singer buttonholer with attachments in original red case

Condition:

Machine appears in very good cosmetic condition with minor wear typical of age.
Power cord and foot pedal included. Untested but appears complete.

Quantity: 1
