LOT 22 - Pair of HIGHLY COLLECTIBLE Vintage Fabiano & Panzini Yellow Scoop Patio Chairs- Made in Canada

Lot Location basement

Description

Add a pop of retro charm to your outdoor space with this unique pair of mid-century modern scoop chairs designed by Fabiano & Panzini, made in Canada. These vintage chairs feature molded yellow plastic bucket-style seats with a slotted design and sit atop white tubular metal bases in a minimalist X-leg formation.

- Design: Fabiano & Panzini, Patent Design D-44237
- Made in: Canada
- Item No.: 60323
- Material: Molded plastic seats with metal wire base
- Color: Yellow seat, white frame
- Dimensions (each chair):
 - Overall height: approx. 30"
 - Seat diameter: approx. 22"
 - Seat height from ground: approx. 15"

Condition: Both chairs show signs of age and outdoor use, including surface wear, minor discoloration to the plastic, and some rust on the metal legs. Structurally solid with no cracks in the seats.

These chairs are becoming increasingly collectible, especially in pairs, and work well as patio, porch, or accent seating indoors or out.
